#### Media Intern at Woodmont Baptist Church

*Summer 2019 and Summer 2020*

In 2019, I took part in the college student internship program at Woodmont Baptist Church in Florence, Alabama. I was deemed the "media intern" as I helped each ministry with their graphic design requests as well as their social media. I designed t-shirts for events, took photos which were used on social media, and helped run an Instagram page. In 2020, I took part in the internship program again where I worked as a media intern. That summer COVID-19 was at its peak, so I mainly helped with social media as well as editing videos for different ministries.

#### Intern at Moxey Birmingham

*Summer 2021*

I interned at Moxey Birmingham where I created graphics for their Mailchimp, that highlighted different companies that are under Moxey. I also created logos for some of the companies that didn't have one.
